

Spinalcord® Metal Clad Mini Split Cable

- Use for systems where the indoor unit is powered from the condenser.
- Install in-wall without additional conduit.
- Use a water-tight connector such as Bridgeport Fittings P/N: 595-DC2.
- Sunlight resistant and suitable for direct burial.

AWG	Stranding	Number of Conductors	Shielding	Listing	Part Number
14	Stranded	4	Unshielded	Type MC 600V, Direct Burial, Sunlight Resistant	1075
